

KING'S CONNECT

Dear Parents and Guardians,

As we come to the end of another wonderful term at King's School Goodwood, we are thrilled to share the highlights and achievements of our young learners. It has been a term of growth, laughter, and discovery, and we couldn't be prouder of our children's accomplishments.

Creative Expressions

We are happy to report that the music department under the tutelage of Mariana Hanse is growing from strength to strength.

Both the choir and music – piano and guitar – pupils are doing exceptional work. The choir performed at the recent Grandparents Tea, and they were warmly applauded by all.

We will be hosting a cultural event in August where all the talent will be on show.

Sports and Team Spirit

This year we went to the Tygerberg Track for our athletics day. The team/ house that won the athletics competition trophy was, Yellow House/ Joshua. Green House/ David won the spirit competition.

We thoroughly enjoyed the interaction, the level of competition between the different houses.

Sport Development

The compulsory sports development program we introduced at the beginning of the year is bearing fruit. We can see the children's energy levels are up. They are very enthusiastic about these afternoon events.

Winter Sport Code

Due to a greater interest in soccer than hockey, we will be doing soccer as our winter sport this year. KS has registered a U 9 and U 13 soccer team with the local school's soccer league. Boys and girls can participate in the U 9 team. We appreciate the parental support for these sporting initiatives.

Grandparents Tea

It was a privilege to host our Grandparents this year. We honour those who have done so much for our children and grandchildren.

Gr 5 – 7 Camp

Our Gr 5 -7 pupils are going on a camp from 18 – 20 March. They will be going to the Wortelgat campsite in Stanford. This is always a highlight for our children.

Parent-Teacher Consultations

Let's discuss your child's progress and set goals for the next term.
