## ACADEMICS

Our dedicated teachers are ready to dive into new topics and continue the educational journey with enthusiasm and expertise. We encourage our learners to embrace the challenges ahead with curiosity and a love for learning.

Term 2 is a formal exam term. To this end we encourage regular attendance. Teachers will be working hard at preparing your children to give a good account of themselves at the end of the term.

We ask that parents support their children by ensuring that they hand in all their projects and assignments timeously as well as prepare properly for all their test.

## CREATIVE & EXTRA CURRICULAR ACTIVITIES

We are excited to offer a variety of creative and extracurricular activities this term. From music and choir classes to sports teams, there's something for everyone to explore and enjoy.

The 2<sup>nd</sup> Term Extra Mural Roster is attached. For any queries relating to the Private extra murals on offer, please contact the service provider directly with regard any queries.

We also look forward to community events that bring us together to celebrate and support one another.

On 12 April South Point Church, in collaboration with King's School, is hosting a fun-filled, interesting outreach evening for all our children and parents. This is a new event on our calendar. The aim is to build community and foster healthy relationships.

The event will run from 6:00 pm – 7:30 pm. No cost.

We will be offering pre-ordered Hot Dogs which must please be ordered via the D6 Sticitt app before Wednesday, 10 April 2024. The cost thereof is R15.00.

The Tuck Shop will be open on a cash only basis.

## STAFFING

Ms Wolfe has resigned her post. Mrs Tatum Forbes will be the new Gr 1 teacher, starting term 2. Mrs Forbes is a qualified Foundation Teacher and has been with King's School for the past 6 years. Many of the children in the Gr 1 class were in her class when they were toddlers, so they will not be strangers to each other. We wish Mrs Forbes well and have all the confidence that she will do a sterling job teaching the Gr 1s.

We welcome Ms Zikhona Ngqanya as our new Gr RR ECD practitioner. Not only is she a very qualified ECD practitioner, with years of teaching at experience at Curro Century City and Curro Brackenfell, but she has also lectured ECD students at NorthLink College. We are excited about the prospect of having her on the ECD team.

We also welcome Ms Charne Lee Davids to the ECD team. Charne will be a classroom assistant in the ECD department.

## PARENTAL INVOLVEMENT

We value the partnership with our parents and guardians and encourage you to stay engaged with your child's education. Your support makes a significant difference in their success.

### LATE COMING

We want to encourage parents to ensure that the children are at school on time. The school day, officially starts at **8:00 am**. When children are late, their levels of anxiety are higher than normal, which stresses them out. Their late coming also disrupts the rhythm of the class. Invariably the teacher is already busy with the morning routine, which is now interrupted and causes further anxiety for all the children. We therefore encourage parents and children to be on time in the morning.

### COMMUNICATION

It has come to our attention that some parents did not receive the information regarding the change of teachers for **Gr 1 & Gr RR**. The office sent out the information to the contact details that we have on our D6 database. If you did not receive the information, please ensure that the office has your correct contact details i.e. cell number and email address. We are only able to have one cell number / email address per parent. Our important information is usually sent via the D6, email and SMS.

A D6 Data Verification Form for 2024 will be sent home in due course to ensure that we have your correct information on our database. Please complete – make any adjustments and return to school by 22 April 2024.

It is also imperative that you download the correct D6 application. Please only use the above logo of the d6 when downloading.

We are here to support every student in achieving their best. Here's to a term filled with growth, achievement, and happiness! Let's make Term 2 a memorable one!

### FOOD FRIDAYS

Thank you to all who supported our Food Friday Fundraisers during the last term. These will resume from next week.

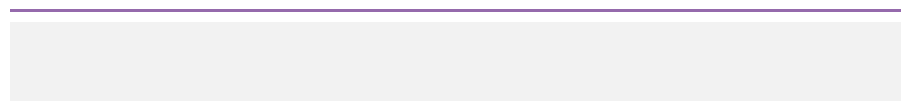

Please access the Sticitt application to order your child's Food Friday treat via the D6 Connect.

Please note that Friday, **12 April Food Friday** is only for the **Outreach Evening**. The hot dogs will only be available during the course of the event.

Warm regards
